TUNG ACUPUNCTURE Weekend Intensive

In this 2-day hands-on seminar, you will learn the highly-acclaimed Master Tung Acupuncture system. . You will learn how to choose the points to be used to address a specific disorder, and how to address both the root and branches of diseases. The most important points used in the Tung Acupuncture system will be covered, with plenty of point location and hands-on opportunities.

This highly informative class will cover:

Day 1:

- Introduction to Tung Acupuncture
- Practical diagnosis
- Selecting and combining points
- Advanced Tung theories (*Dao Ma, Dong Qi, etc.*)
- Tung Acupuncture Points (Indications and locations)

Day 2:

- Point location and needling workshop
- Case Studies and practical
- Tung Acupuncture protocols (*Cancer care, MS, autoimmune disorders, tinnitus, neuropathy, GI disorders, chronic fatigue, pain, OB/GYN disorders, & more..*)

(Note: This is a **hands-on** class with ample opportunity, especially on the second day, to review case studies and for hands-on practice. Students will break up into groups, review, diagnose, and discuss clinical cases, and practice treatment protocols / needling)

Dr. Rene Ng (DACM, AP, L.Ac), a board-certified / licensed Acupuncture Physician, was born in China and began his Chinese Medicine training with his parents when he was very young. He was trained in Master Tung Acupuncture by Dr. Young Wei Chieh, a direct disciple of Master Tung, and board-certified in the system by the World Association of Tung Acupuncture (WATA). He has been using this system in his practice for over 15 years. Dr. Rene specializes in Cancer care, Multiple Sclerosis, pain management, injuries, and autoimmune disorders, and is one of the area's most popular acupuncturists and a highly sought-after educator. He is a four-time winner of Sarasota's "**Favorite Acupuncture Physician**" award and was also voted **Reader's Choice for Best of Acupuncture in Sarasota**. In addition, he has been featured on Fox News, WSLR, WTMY, Natural Awakenings, Observer, Today's Seniors, and Doctors publications, and has appeared on the Dr. Oz show.
